

# BURLINGTON SOCCER CLUB

---

## SPONSOR A KID PROGRAM

Dear Merchant,

The child that has approached you or your company has the opportunity to play and train in the Burlington Soccer Club (BSC), a non-profit organization in the State of North Carolina. BSC players and teams compete against other soccer Clubs throughout the State of North Carolina. Part of BSC's mission is to provide every child who has the passion and commitment for a higher level of soccer to have the opportunity to participate in our Club. However, being a non-profit organization, our resources are small and the financial assistance we can provide goes to families of very limited means.

The cost of playing travel soccer continues to grow every year. For as little as \$500, you can sponsor a child for one full season of soccer which includes:

- Training by a professional coach
- Team Camp and Player Development Academy
- Referee expenses
- Player registration expenses
- Player insurance
- Field expenses

If your company has the financial means to provide more than the \$500, BSC has sponsorship levels which could possibly support more than one individual. Amounts less than \$500 are also appreciated.

By sponsoring a child in BSC, the club will place your business logo on our website at [www.bsosoccer.net](http://www.bsosoccer.net). Also, as a partner to our club, your business logo (along with other business sponsors) will be placed on a banner which will be set-up at many of our games, tournaments and tryouts at Springwood or Joe Davidson parks. Since BSC is a non-profit organization, your donation is tax-deductible. If you can, please help this child with a sponsorship so his/her soccer dreams can continue to develop and grow. If you will, please make your check payable to the Burlington Soccer Club.

If you need additional information concerning the program or BSC, please contact:

David Myers, BSC President, 336 516-6686  
Bob Tikkanen, BSC Treasurer, 336 263-9200  
Keith Thomas, BSC Secretary, 336-380-1155.

Thank you very much for your support of the youth in our community.
