

Burlington Soccer Club

2010-2011 Uniform Kit

Burlington Soccer Club has selected Eurosport as its provider of uniforms and accessories for the 2009 season and beyond. The 2010 season is the second year for the uniforms life cycle, so those that played last year do not have to buy a new kit. Mandatory items will be two uniform tops (white and maroon), shorts (maroon) and two pairs of socks (white and maroon). We have worked with Eurosport to create an on-line ordering service that will allow Team Managers the ability to place orders more conveniently. Optional items, such as warm-up, backpack, duffle bag, alternate colored shorts and GK jersey will also be available for purchase.

Eurosport has also created an affiliate link that will be placed on the BSC website that will allow members to go directly from BSC's website to the Eurosport website and order any of the inventory items offered by Eurosport. In return, Eurosport will donate part of the proceeds from affiliate link sales back to BSC. Members with existing goal club accounts will continue to receive their goal club discount and points by ordering through the affiliate link.

BSC looks forward to developing the relationship with Eurosport to fulfill all of our soccer needs in regards to uniform items and equipment.

Burlington Soccer Club Mandatory Uniform Kit
